

London Marathon April 26th 2009

This year Stephen Hulcoop, brother of Lynda Hulcoop, the PCNI Director, will be running his 20th London Marathon at the age of 64. He has chosen to run this year to run in support of PCNI's work in Zimbabwe, particularly focussing on raising much needed on-going resources for food and water aid for people living in

the high density suburb of Kuwadzana, Harare. If you are watching the Marathon, his number is 11045 and he will be wearing a lime green T shirt displaying the Zimbabwe flag and PCNI details.

He starts his race at Blackheath at 9.45a.m. and anticipates the race will be completed in approx 5 hours. If you would like to make a donation for this, please contact us and we will do the necessary.

Many thanks for all your support , Lynda Hulcoop PCNI Director
